

The International Exchange Exhibition of Children's Art 2016 Application Form

We would like to introduce the artworks of children from all over the world and from those living in Narita City, who wish to exhibit their art at our International Exchange Exhibition of Children's Art. Children are the driving force of the 21st century, and this exhibition is aiming for fostering dreams and creativity of children and deepening their understandings of different cultures and the lives of people in other countries through art.

We are looking forward to welcoming exhibits from many countries.

Hosted by

The Executive Committee for the International Exchange Exhibition of Children's Art
